

INside Trepça

1-DAY TOUR

This tour provides a comprehensive look at the history and current state of mining in Mitrovica, as well as an opportunity to experience the local culture and way of life. First, the visit starts with the Trepça Industrial Park, which is a mostly abandoned complex in Mitrovica. After that, you will visit the National Museum of Crystals and Minerals, where you can see a wide variety of minerals from Trepça and other international mines. Then, you will enter the underground levels of Trepça mine and have an unforgettable experience. In the meantime you will see the mining process in action and learn about the challenges and risks involved in mining. Finally, you will visit Stan Tërg, which is a small neighbourhood located near the Trepça mine. There, you can see how the locals lived in the time when the mine was thriving. This one-day tour offers an exceptional chance to gain insights into the historical aspects of Kosovo, while also observing firsthand how the legacy of mining has affected the local communities across various facets such as the economy, society, and culture.

OUTside Trepça

1-DAY TOUR

This tour offers a detailed exploration of the mining industry and history of Mitrovica and a chance to discover the landmarks of this city. Starting from the City Museum, you will gain insights into the region's history and culture, followed by visits to the city center, cultural heritage buildings, and the symbolic bridge that represents Mitrovica's divided past and present. Then you will visit the Miners Monument, an iconic symbol of the panoramic view of Mitrovica, located in the Miners Hill. Afterward, you will visit the mostly abandoned Trepça Industrial Park, the National Museum of Crystals and Minerals and the Stan Tërg neighborhood. The tour continues to the Museum of Isa Boletini and the Sokolica Monastery, where visitors can enjoy the peaceful surroundings and breathtaking views of the landscape. The tour concludes with a visit to the picturesque Vllahia village and sightseeing of Bajgora Wind Park. Overall, this tour provides you with a comprehensive and attractive experience of Mitrovica's history, industrial sites, culture, and natural beauty.

Purple Tour

2 -DAY TOUR

On the first day of this tour, you will explore the rich history and culture of Mitrovica, starting with the City Museum, the iconic Ibri Bridge, the Miners Monument in the Miners Hill, the Trepça Industrial Park, the National Museum of Crystals and Minerals and the Stan Tërg neighborhood. Afterwards, the tour will proceed to Vushtrri, an ancient city known as Vicianum, followed by a visit to the field of the Battle of Kosovo and the Tomb of Sultan Murat, dating from 1389. The first day of this trip concludes with a one-night stay in Prishtina where you can experience the vibrant nightlife. The second day starts with a visit to the archaeological site of Ulpiana, an ancient Roman city located just outside of Prishtina, to continue to the stunning Gračanica Monastery, a UNESCO World Heritage site. The tour will proceed to Kishnica mine, and then conclude in Artana/Novobërda, where you will get to learn the rich history and diverse cultural heritage of this town. Overall, this two-day trip provides you with an ideal opportunity to see how the natural resources from the mines of Kosovo have left a profound impact on the cultural heritage of the region, and have also influenced the socio-economic dynamics and cultural expressions of the local communities.

About Us

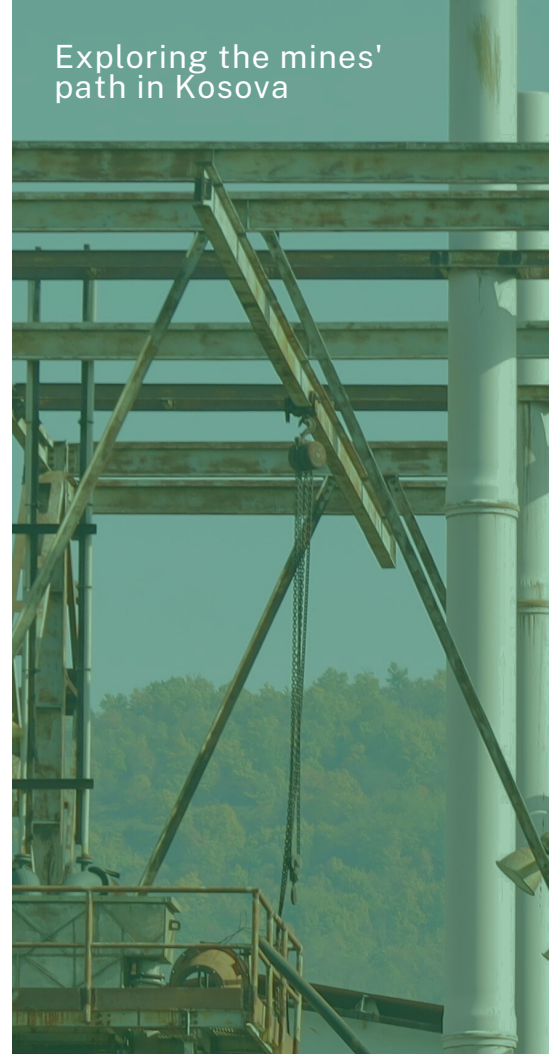

"Visit Trepça" is a social enterprise initiated by 7 Arte (NGO) dedicated to preserving and promoting the industrial heritage of Trepça.

We believe that the mining complex has the potential to be a valuable economic and cultural asset for the community, peacebuilding, and sustainability of the region.

Our vision is to preserve and promote the industrial heritage of Trepça, create economic opportunities, and empower the community through sustainable and socially responsible environmental practices. Join us in our efforts to preserve and promote this valuable cultural and historical resource.
