7Arte is an alternative cultural center which was established in May 2006 by a group of local artists in Mitrovica, Kosovo. With 19 years of experience, 7Arte plays the role of a cultural alternative center by organizing multidisciplinary cultural activities such as audio-visual workshops, music festivals, outdoor screenings, street art, poetry nights, exchange programs and education programs, and environmental actions. 7Arte is located in the industrial city of Mitrovica, where a rich ethnic and cultural diversity is intertwined. The main office of 7Arte is located in the city center, in a building that has a brutal architectural style, which was made for the bank known as Bankos during the modernization of Mitrovica city in the middle of the XX century. Since 2011, 7Arte has been running the last floor of this building, which has a 120-meter square terrace with a special view of the city center where most of the cultural activities are organized.
